

**Forest Grove Festival Street RFP**  
**Question and Answer**  
**May 8, 2020**

Q: Do you have a boundary map of the downtown area that would be included in the downtown streetscape concept – or is this something you are looking to the consultant to make a recommendation on?

A: The streetscape concept should include the area bounded by College Way and Birch Street on east, 21st Avenue on the north, B Street on the west and 19th Avenue on the south.
